NRIS Number:

HABS/HAER Number: 2

Description:

PS&S recommends that 28 Station Road, moved to its present location circa 1970 and altered circa 2015, is a non-contributing property in the Cranbury Historic District.

The 2 ½-story, side gable-roofed, rectangular-plan main block of this composite siding-clad, frame dwelling on a parged foundation is 5 bays wide and 3 bays deep and is fronted on the north elevation by a 1-story, 1 bay, hip-roofed, centered porch and backed on the south by a 1-story, shed-roofed el. The roofs are clad throughout in asphalt shingle except for the porch, which is clad in standing-seam metal. The windows throughout have 6/6 replacement sash with paneled shutters on the first floor and louvered shutters on the second. The window frames are topped by entablatures. 4 interior brick chimneys project from the east and west ends of both main roof slopes. The roofline of the main, south elevation includes an added frieze of scrolled brackets and recessed panels. The corners are articulated by full-height added pilasters with recessed panels. The front porch, accessed by a brick and concrete stair, includes replaced, square-plan pillars with recessed panels, rectangular-plan pilasters, and a frieze of scrolled brackets and recessed panels. The primary entrance, accessed by the porch, includes a replaced door and a historic door surround with 2-light sidelights over recessed panels and a 2-light transom. The west and east side elevations are regularly fenestrated. The south elevation is not visible from the public right-of-way. A 1 ½-story, gable-roofed garage with a projecting peak is located to the southwest of the residence.
